

Northwest Mountain FAAS Team presents:

Select #: NM1318746
Representative ANDREW DAVID MCIRVIN

High Wind Operations and Pilot Weather Wisdom

Saturday, April 26, 2008 at 8:00 am

Midstate Aviation
1101 Bowers Road
Ellensburg, WA

Contact: ANDY MCIRVIN
509-933-7504

am.midstateaviation@elltel.net

Local Ellensburg area CFI, Andy McIrvine, will be discussing safe techniques for takeoff and landing in windy conditions. Ed Beesen, Midstate Aviation Director of Maintenance will explain Supplemental Type Certificates, their use, and proper documentation in aircraft logbooks. Central Washington University Aviation Dept. Professor Dale Wilson will discuss pilot weather decisions and practical applications during flight.

Directions: Take Airport Road 3 miles north from Ellensburg. Turn right onto Bowers Road and proceed 1 mile east to the big tan colored hangar.

Message from the National Safety Program Manager:

**Safety is a learned behavior...Learn to be safer at the Learning Center found on
FAASafety.gov**
